

SPECTRUM SHOOTOUT

Benefiting: Make-A-Wish

Hey Y'all,

Thank you for your interest in supporting our upcoming event benefiting the Make-A-Wish® Foundation: The Second Annual Spectrum Shootout, taking place April 24, 2021 at Prairie Creek Sporting Clays in Gladewater, TX. Our volunteer-run committee has already started planning for another incredible event for 2021! Here's a glimpse of the impact this event has on our community.

Our donations from 2019 helped fund 43 wishes that we expect to be granted this year from September 2019 to August 2020. Furthermore, we have 46 additional wishes qualified, but need our support. Funding controls the pace at which we can grant these wishes, and we rely on the support of private donations to make these wishes possible. Each wish is as unique as the child that makes it.

Since 1980, Make-A-Wish® has been creating life-changing wish experiences for children with critical illnesses around the world. Wishes have proven physical and emotional benefits that can give children with critical illnesses a higher chance of survival. When a wish is granted, a child replaces fear with confidence, sadness with joy and anxiety with hope. Wishes even reunite families and enrich entire communities. Every eligible child needs a wish to count on!

Spectrum Financial Group along with sponsors all over East Texas come together to grant as many wishes as possible. Teams are already starting to form and can be made up of employees, spouses, friends, and through our volunteer shooters. If you are unable attend, please help us spread the word, or you can donate straight through our website: www.spectrumshootout.com. Donations in the form of auction items, door prizes, swag bag items, and through your time as a volunteer are also accepted and much appreciated. This is another great way to give back!

Your sponsorship and donation directly benefit Make-A-Wish®, and we thank you wholeheartedly for your support. Please feel free to reach out with any further questions using the contact information below.

With Thanks,

Allissa Boren
